Your daughter/son is planning on attending a volunteer event sponsored by the Spokane Conservation District (SCD). The SCD has many ongoing habitat restoration projects throughout Spokane County on public and private lands focused around stream and wetland restoration. The SCD requests that you review the attached information about the event and sign the associated liability waiver form to acknowledge your understanding of the activities. Involvement in this volunteer event will include a variety of physically demanding activities, which may require the use of simple hand tools such as shovels, loppers and shears to perform assigned job tasks.
